

## 1. Market-Specification Contract

This contract specifies the market requirements for the crops being grown. The buyer agrees to purchase the crops based on quality, quantity, and pricing set out in the contract. The farmer must ensure the crops meet these specifications.

### Details Required:

- **Farmer Details:** Name, Address, Phone, Email
- **Buyer Details:** Company Name, Representative, Address, Phone, Email
- **Crop Details:** Type, Quantity, Quality Standard
- **Pricing and Payment Terms:** Price per unit, Payment schedule
- **Delivery Details:** Delivery date, location

**Action Required:** Provide details of the farmer and buyer, and crop information.

## 1. Market-Specification Contract

---
